Importance: High

Hi Jeff

About time for our actions to turn into theatre and movie pieces.

Shall we talk? Any news from BC/AdR?

No real communication. Cannot open the NYT article. But to judge from the article's title they are at least exaggerating if not totally wrong. This attack will not change strategy in a major way on either side. It will however raise respect for DJT in Moscow and few other capitals. That's not necessarily bad, if the WH won't read this change as a precedent which calls to be repeated too often.
