mary's great ,thanks.. I will call her again today. my suggestion for T is out of the box ( how unusual ).. 1. I still think that the only really qualified person is Jamie. knowledge of system, derivatives. banking operations both domestic and intl. . Personality issues are the key. ..AS that seems difficult 2 I THINK it would behoove Obama to make Bill Clinton Treasury sec.. and move Hillary out. of state. , Bill will be able to explain to the public and he would complex issues.. Unlike Jamie he could not craft them, but in today's internet world the message and how it is delivered is as important..
