# The Raleigh - South Beach

The Raleigh is different from most properties in South Beach, with a vibe that's more Deco cool than decked out to the nines. A stay here feels a bit like a trip to the 1940s - dressed in whites one minute, casual the next. It's all about lounging in style by the pool, which has hosted everything from Esther Williams swimming routines to Chanel's cruise collection show. The Raleigh itself is a lot like that pool: cool, pretty and a place to be seen.
