Subject: The book on you...

Importance: High

Keep getting calls from that guy doing a book on you -- John Connolly. He seems very interested in your relationship with the news media. I told him you were a hell of a guy:) One oddity: he said he had been told that that quote from Trump about you in the original NY Mag story had been manufactured. ie, that I did not actually speak to Donald. Which is bull shit of course. I am sure that is what Trump told him as they have been getting a lot of questions from reporters about you.

He actually seemed to be a sensible guy/solid reporter -- just from the few conversations I had with him. I think he is close to finishing up.

Did you ever speak to him?
